High quality original
GoDEX thermal transfer ribbons

GoDEX offers premium thermal transfer labels that will fit most of your printing applications.

We supply wax, wax/resin, resin, new edge and various color-ribbons of all sizes. According to your printing needs and environment, GoDEX provides ribbons that will give you a satisfying printing result. Depending on the type of labels you are printing on, durability, and speed, we have what you are looking for.

- **Wax ribbons**
The most economy kind of ribbons for general purposes. Great for printing on regular paper/ label surfaces that are not kept in extreme conditions.
- **Wax / Resin ribbons**
Suitable for high volume printing. Offers a moderate print durability along with scratch, chemical and abrasion resistance.
- **Resin ribbons**
Perfect for high durability environments and offers exceptional versatility on synthetic and paper media. Highest degree of scratch resistance that can withstand chemicals and heat.
- **Colored and new edge ribbons**
A large variety of ribbon colors for different applications: Retail, pharmaceuticals, food & beverage, industrial, electronics, transportation, and general packaging. And new edge ribbons that satisfy your most demanding printing speed.

Please contact your local GoDEX staffs for professional and caring services.
